**Sub: Request to associate with the ICAI under "Accreditation Scheme"  
for organizing Coaching Classes for CA Students**

Madam/Dear Sir,

The Institute of Chartered Accountants of India (ICAI), an autonomous body is established by an Act of Parliament for regulating the profession of Chartered Accountancy in the country. The Institute functions under the administrative control of the **Ministry of Corporate Affairs**, Government of India.

Over a period of time, the ICAI, a second largest professional body of Chartered Accountants in the world has achieved recognition as a premier accounting body not only in the country but also globally for maintaining highest standards in technical, ethical areas and for sustaining stringent examination and education standards.

The Board of Studies (BOS), the academic wing of the Institute is constituted to decide the broad policies governing theoretical education, practical training and computer training to the students undergoing Chartered Accountancy Course and accordingly, BOS has been imparting education to CA Students through distance education mode. To supplement the efforts made by the Institute, the Board of Studies has proposed to augment the accreditation institutions for imparting quality classroom coaching at a reasonable cost.

The BOS grants accreditation to institutions like Universities / Colleges, Schools, Trusts / NGOs / Societies and other Academic Institutions so as to enhance the quality of education provided to the students for achieving better results. It is an opportunity for the Institutions also to associate with one of the largest Professional Accounting and Auditing Institution renowned worldwide. A copy of the "**Accreditation Scheme**" is enclosed for your information and guidance.

It will be our pleasure to receive your application for organizing Coaching Class for the CA students under the accreditation scheme and shall be happy to receive your valuable contribution in organizing coaching classes for the students of the Institute.
