## Minutes of the Consultancy cell

The University has constituted a Consultancy Cell vide its letter No. IQAC/2014/01 dated 10.11.2014. The following members have attended the meeting held on 24 November 2014:

1. Prof. J.M. Keller
2. Prof. C.S.S. Thakur
3. Prof. P.K. Singhal

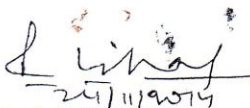

The members unanimously decided the following:

1. The university should promote consultancy, analytical and testing services by its faculty and other members in order to achieve a functional liaison with the industry and academia and further to promote alternate sources of revenue.
2. The University must constitute a fully functional Consultancy Cell which will establish a close interface with potential service seekers and the members of the University.
3. The fees so generated will be shared equally between the consultancy provider and the University as provided already under the Clause 7(b) of the University Statute 31 in the following manner:
  - a. The 50% share of the fees will be provided to the consultancy provider.
  - b. The 20% share of the fees will be provided to the concerned Department under its budget sub-head "Consultancy".
  - c. The remaining 30% share of the fees will be provided to the University Development Fund under its budget sub-head "Consultancy".
  - d. The Department and the University must provide for sub-head of "Consultancy" in the budget. This will ensure that this fund can be used in creation, maintenance and facilitation of consultancy services by the University.
4. The consultancy proposals will be sanctioned by the University through its Consultancy Cell which will act as custodian and facilitator of the proposals.
5. The proposal may be put before the Executive Council of the University for its approval and execution.
